

Announcements 1/14/2018

As a reminder, our regular Saturday 3-hour meditations are now held 10 a.m. - 1 p.m, with group Energization Exercises practiced at 9:40 a.m. Printouts of our winter Quarterly Events Schedule are available at the Information Table in the social room. Our website srfseattlecenter.org contains our up-to-date schedule as well as an archive of each week's announcements.

When you visit our website next, please take a look at the Photo Gallery section under the "Our Center" menu. We have added a new gallery entry, **Christmas 2017**, containing many photos taken by Br. Francesco during the recent monastic visit.

The subject for today's service is, " Faith, Belief, and Wisdom."
