

Announcements 1/21/2018

As a reminder, our regular Saturday 3-hour meditations are now held 10 a.m. - 1 p.m, with group Energization Exercises practiced at 9:40 a.m. Printouts of our winter Quarterly Events Schedule are available at the Information Table in the social room. Our website **srfseattlecenter.org** contains our up-to-date schedule as well as an archive of our weekly announcements and monthly email newsletters.

After the service, please stay in the chapel for a 5-minute update from our Center Coordinator Jeremy Jones.

The subject for today's service is, "Power to Light your Way."
