

Announcements for 10/1/17

We are reviewing the timing of our weekly Saturday 3-hour meditations and seek your feedback. We are considering a 6-month trial starting in 2018 of changing from evenings 6 – 9 p.m to mornings 10 a.m. - 1 p.m. The primary reasons for considering the change are that people often feel more fresh for meditation in the morning, and some of our members prefer not to drive at night. Please indicate your preference and provide comments using the printed feedback forms in the social room. We will collect feedback through Sunday October 8th.

We will be celebrating our Harvest Potluck on Sunday, October 8th following the service at 12 pm. In celebration of the harvest season, we welcome you to bring your favorite vegetarian dish to share.

On Saturday, October 14th, we will host a one day retreat at the center from 10 am to 4 pm. As part of the retreat we will have guided group practice of Energization Exercises, kirtan meditation and inspirational readings. We will also have free time for you to relax, take short walks if you wish, and practice the presence of God.

Our furnace is not working. We are getting it repaired but meanwhile please dress warmly for services and meditations.

We have recently cut out some wood from the garden and it is available as firewood if any member would like it. Please see Lynn Dhanak if you are interested.

Directly after the service, please remain in the chapel for a brief update from the Managing Council by our Center Coordinator Jeremy Jones.

The subject for today's service is, "Live in Constant Remembrance of God."
