

Announcements for Sunday, November 4, 2018

Over the past two weeks, our contractors have successfully installed blow-in insulation to the interior and exterior walls of our chapel, repairing cracks in the chapel walls, and painting all interior chapel walls. Next we are making plans to install new light fixtures in the chapel, and additional speakers on the back beam of the chapel.

This coming week, the Sunday School room will be covered in plastic and used as a “paint studio” for our new 15-foot-wide building sign, which needs several coats of background paint and detailed paint on the raised lettering. The Thursday evening study group may need to be moved to either the youth group room or chapel if the project is still ongoing; next week’s Sunday School will be unaffected.

Our 2018 General Membership Meeting will be held on **November 11th** after the Sunday Services. All are invited and welcome to attend.

On Sunday, **November 18th** after the service, we will have our annual Shoeboxes of Joy packing and wrapping party. A list of needed items is on the Helping Hearts bulletin board in the Social Room. Please join us in the Social Room to wrap and assemble boxes of needed items to be given to the elderly and disabled who are isolated from family and friends during the holiday season. The wrapped and filled boxes are distributed by Catholic Community Services volunteers. We will provide boxes, wrapping paper, and instructions for packing. All donations of items on the list or any empty shoe boxes will be greatly appreciated - if you bring these items in early, please place them under the Information Table. Light snacks will be provided. We hope to see you there.

Our Thursday evening service on **November 22** is canceled because of Thanksgiving.

The subject for today’s service is, “**Man’s Highest Conception of God**”.
