

Announcements for Feb 6, 2022

We are eagerly looking forward to the return of monastic visits to our Center. There are two visits being planned for this year. The first will be during the Seabeck Retreat, tentatively planned for June 10-12. The second will be a visit to our Center on September 23-25. Further scheduling details will be listed on our website calendar and announced as they are confirmed.

The subject for today's service is "How Active Westerners can Realize God."
