

Announcements for September 4, 2022

We look forward to hosting a monastic visit by Brother Padmananda and Brahmachari Jason from September 22nd to 25th. If you have questions you would like answered during satsanga, please submit these to the Managing Council through our website email or in the suggestions box in the foyer. Details of scheduled events and services are now published on the Center website.

We are seeking volunteers for the Sunday Tea Reception Committee, and the Usher Committee. Tea Receptions following the Sunday Service were temporarily placed on hold in 2020, and the Managing Council is seeking a volunteer to serve as the Committee Chair so we can once again offer the opportunity for fellowship with refreshments following the Sunday Services. If you would like to perform Guru-seva by participating in the Sunday Tea Reception or Usher Committees, please see the Information Desk volunteer after the service today, or email us through the website.

The subject for today's service is "Divine Selfishness - Serving Oneself in All".
