The Seattle Center of SRF is blessed and honored to be hosting Bro. Kamalananda and Br. Rahul this weekend. Bro. Kamalananda serves on the SRF Board of Directors and works very closely with our revered President, Bro. Chidananda. Br. Rahul assists Brotherji in the manifold tasks associated with the Office of the President.

Immediately following the Service, we will have a group photo with the monastics here in the chapel. Our Sunday School children will join us for the picture.

Due to time constraints, we will not be offering any counseling appointments with the monastics today. We will have another monastic visit in just under a month as well as other opportunities for members to receive spiritual counseling.

Following today's Service and group photo, all are invited to a potluck fellowship where each of you will have the opportunity to visit with the monastics.

The Seattle Center of Self-Realization Fellowship is joyfully organizing a Food Drive to support the Hopelink Shoreline Food Bank, now through November 23rd. You are invited to share in this spirit of service by offering vegetarian, non-perishable food items, which may be placed in the collection box in the foyer. We are delighted to share with you that as of today, the Seattle Center has donated about 320 lbs of food to the Hopelink Food Bank. Thank you for your generous heart and support.

With the approaching Christmas season, we are looking for individuals who would be interested and enjoy decorating the Center for the joyous festivities. If you are interested, please reach out to Bona or Anshika on the Flower Committee.
