

January 11, 2026

Following the Service, we will be taking down the Christmas Tree and other holiday decorations. All are welcome to enjoy refreshments at our hospitality tea, and participate in this fun activity.

Self-Realization Fellowship is pleased to announce the Spring session of online How-to-Live classes for children and teens, which will be held January 24th through May 23rd. Registration is now open, and information is available on the flyers in the Sunday School Room.

We have a condolence card for the family of Shubha Ranganathan, who passed away recently. Shubha cheerfully served Gurudeva's work at the Seattle Center for many years as a Member-at-large on the Managing Council, Reader Committee Chair, and Sunday School chair. Friends are invited to write a short message expressing their comforting thoughts and sympathy.

The title for today's Service is: "Rediscovering your Higher Self"
