Happy Easter!

Following the Reading Service today, we will have our Easter potluck. All are welcome to join in the fellowship.

We are happy to share that, just in time for Easter, devotional garden signs featuring sacred quotes from Guruji and Autobiography of a Yogi will be placed throughout the gardens. Inspired by the pathways of Lake Shrine, these signs offer moments of reflection and upliftment to all who pass by. Each quote was lovingly submitted by our members. May they bring peace, inspiration, and a renewed sense of connection on your spiritual journey.

In an effort to create a calm, reverent atmosphere conducive to deep communion with God, we would like to remind everyone of the importance of maintaining silence **in the chapel**, as much as possible before and during our Meditation Services, including during the 10:45 a.m. break on Sundays, and by taking social conversations out to the Social Room or foyer. As a helpful reminder, we also have a flyer on meditation etiquette available at the Information Table in the Social Room.

We thank all members who gave their inputs to the survey about continued improvements to the Center. The Managing Council will share the survey results and the next steps of this project in a brief meeting on Sunday, April 26th, after the Service. Please pickup a flyer from the Greeters or from the foyer to learn more.

We are happy to let you know that Bro. Padmananda and Br. Rahul will be with us to lead the Annual Spring Retreat from **June 5th - 7th** at the Seabeck Conference Center. The theme of this year's retreat is "***What can Meditation do for us?***" Information about the weekend's schedule is available on our website, and registration for the retreat opens next Sunday, April 12th.

The title for today's Service is: "The True Meaning of Resurrection"
