If you haven't RSVP'ed for our special 30th Anniversary celebration titled "A Hive of Satsanga", you still can. We have flyers with a QR code that you can pick up from the ushers or from the info table. The day will begin with a Kirtan meditation at **9:30 a.m.**, followed by a special Inspirational program featuring inspirational readings, uplifting music, and memoirs from Center members. The program will be followed by a delicious catered lunch at 12:15 p.m. We look forward to commemorating this special anniversary with you all.

We are looking for volunteers to help with setup and take down for the 30th Anniversary Event. You may sign up on the sheet in the Social Room if you are interested in serving in these areas.

Our Social Room remodel project has reached 88% of its goal of \$40,000, and when we cross the 90% mark, we will be able to submit our final plans and bids to Center Department for approval. We are deeply grateful for all your prayers and financial support. Those wishing to contribute may scan the QR code on the poster in the Social Room, or pick up an envelope from the seat pockets in front of you to make your donation. Donations made by check don't incur the service fee. Please remember to indicate "Social Room remodel" in the memo section of your check.

The title for today's Service is: "Who made God?"
